Le fabricant

Greatcare Medical produit une gamme étendue de consommables médicaux certifiés CE et ISO 13485 pour l'urologie, l'urgence et les soins généraux.

Pourquoi via ULTIMED

Fournisseur généraliste de confiance pour les besoins quotidiens des cliniques et centres de soins au Maroc.

Gammes par spécialité

Urologie & Poches à Urine

Sondes de Foley 2 voies et 3 voies en latex siliconé et silicone pur (CH 12 à CH 24), poches à urine 2L avec valve anti-retour et robinet de vidange en T.

Urgence, Réanimation & Masques

Insufflateurs manuels de réanimation en silicone réutilisable (Ambu), masques d'oxygène à haute concentration et canules de Guedel codées par couleur.

Consommables d'Hygiène & Protection

Masse de draps d'examen gaufrés, housses de protection plastifiées et petit appareillage de diagnostic.

Avant de commander

- Sélectionner la capacité des poches à urine (2 litres de lit ou 500 ml de leg bag) selon le profil de mobilité du patient.
- Vérifier la conformité de biocompatibilité du silicone sur les sondes de Foley.
- Exiger le certificat de stérilité pour les étuis et kits de soins.
